### END OF THE SEMESTER

The end of the semester is almost here! In a few weeks, students will be taking finals and grades will be posted. If a student fails a required class, they will have to make it up to meet graduation requirements.

This can be done next semester through credit recovery or this summer during summer school. The credit recovery program is after school from 2:45 PM to 4:15 PM Monday through Thursday.

THE NEXT CREDIT RECOVERY SESSION BEGINS JANUARY 10, 2024 AND ENDS FEBRUARY 27, 2024.

### PARENT ENROLLMENT INFORMATION NIGHT

Next month, we will be hosting a Parent Enrollment Information Night on Wednesday, January 10th at 6:30 PM. Come to learn more about the enrollment process and the classes available to your child in the coming school year. Reps from Salina Tech and K-State Salina will be there as well.

We look forward to seeing you then!
