BUILDING BRIDGES

Our third annual Building Bridges event will take place on November 9 from 5:15 PM – 7 PM at Stiefel Theatre. This free event brings together community members, businesses, industry, families, and educators to discuss Career and Technical Education (CTE). We will tour places that make downtown Salina unique and discuss how to strengthen Salina's culture through fine arts and CTE.

- Snacks will be provided by South High Culinary students.
- Guests will hear from Travis Young, CEO of Vortex
- Students in Construction, Animal Science, Welding, Medical Investigations, and Marketing will discuss their CTE projects.

"At times, our own light goes out and is rekindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us."
– Albert Schweitzer

Central's Counseling Theme for November:

GRATITUDE
&
CAREER
DEVELOPMENT

THANKFUL NOVEMBER

This month, your student will have the opportunity to recognize others for the effect they have had on their lives. Each student will write a Thankful November note, or notes, to someone on the Salina Central campus. Before we leave for Thanksgiving break, everyone should have at least one Thankful November note!
